

PROMAN SECURITECH PRIVATE LIMITED

COMPANY PROFILE

Proman is a professionally manned and managed security services company based in New Delhi, India. We are committed to providing state-of-the-art security and investigative services across India. Our expertise in investigations, intelligence gathering and surveillance, and fail proof supervision and monitoring systems and customer centric approach set Proman apart from competition.

ABOUT US

Proman's motto is "Saksham, Suraksha, Sewa" (Efficient Protection and Service). Our goal is to fulfill the **security needs of prestigious commercial and residential establishments** by employing the strictest recruitment standards for our personnel, putting all our recruits through an intense training curriculum followed by rigorous on the job supervision and back up. We are licensed under the Private Security Agency Regulations (PSAR) Act and our recruitment and training processes adhere to all guidelines prescribed under PSARA.

Our **corporate investigations and intelligence** team is made up of a nationwide network of experts with decades of experience in central intelligence agencies, each a master of the trade crafts used in making secret and discreet field enquiries about individuals and organizations.

OUR SERVICES

Manned security services

Our **guards are deployed at client sites** for long-term or short term assignments. All of our guards have completed a carefully designed training program and they are alert, watchful, friendly and geared to meet any contingency/emergency.

Corporate Intelligence and Investigation Services (CIIS)

This is our niche area offering cutting edge **human and electronic investigative and surveillance** solutions. We specialize in making **discreet field enquiries** about individuals and organizations, and in **mobile, point to point surveillance**. For **background checks**, we look at the family, education and professional standing,

morals and integrity, litigation with a very fine comb and conduct extensive enquiries on the ground.

Event Security

We offer a **comprehensive security cover for social events like weddings and corporate events** like product launches and corporate seminars. We deploy trained and educated personnel and latest equipment including CCTV cameras and metal detectors to offer a comprehensive security solution.

Personal Security Officers (PSOs)

We have a pool of retired Army and Paramilitary personnel that have received training for and have served for a number of years in VIP protection capacities. These individuals are **fully trained in the use of small arms** and are familiar with the different facets of providing protection to highly threatened persons and premises. We also offer the services fully trained of **graduates as unarmed PSOs**.

Security and surveillance systems

We have tie ups with a number of local and international equipment suppliers and specialize in the area of high end discreet equipment installation and monitoring. We are able to recommend and install all kinds of security equipment from basic CCTVs to advanced equipment like motion sensors, underbelly video scanners, hidden cameras, bugging devices etc.

THE PROMAN EDGE: PROCESS

All of Proman's guards have completed a **minimum of matriculate education** and are **fully verified and physically fit**. All job applicants go through a **careful initial screening process** by Ex-Army recruiters. These guards then go through a **thorough training course** at our PSARA recognized, affiliated training academies in Gurgaon and Delhi.

All of our intelligence and surveillance operatives are **carefully selected from former intelligence services officers and elite cadres of the army and paramilitary forces**. Individual assignments are **planned and monitored by officers having a specialization in the area of investigations, espionage and counter surveillance**.
